**Procedure(s):** \_\_\_\_\_

**PLEASE INITIAL YOUR SELECTIONS BELOW.**

**PRE-ANESTHETIC BLOOD SCREEN (COST \$40.00)** \_\_\_\_\_

A pre-anesthetic blood screen helps detect anemia, diabetes, kidney disease and other conditions that enable us to determine your pet's risk for anesthetic procedures and help us to detect any underlying health problems. This is recommended for all animals and **is mandatory for animals seven years of age and older.**

**\*PAIN MEDICATION: (\$30.00)**

**Pain medication will be administered to all surgical patients.** Pets treated for post-surgical pain recover and heal quicker.

**DENTISTRY (Only fill out if your pet is having dental work done)**

Ultrasonic Scaling and Polishing for Dogs (\$154) or Cats (\$152) \_\_\_\_\_

Please extract the necessary teeth (\$13-\$209) \_\_\_\_\_

Please contact the owner prior to extracting any teeth \_\_\_\_\_

No extractions are authorized \_\_\_\_\_

Pain Medication (if extractions are necessary) \_\_\_\_\_

**ADDITIONAL SERVICES**

Microchip Implant (\$36.00) + \$17.99 fee paid directly to Home Again \_\_\_\_\_

Nail Trim (\$18.00) \_\_\_\_\_

Anal Sac Expression (\$22.00) \_\_\_\_\_

Ear Cleaning (\$55-\$76) \_\_\_\_\_

**Elizabethan Collar:** To prevent licking at incision (\$17) \_\_\_\_\_

**PRICE ESTIMATE (May Vary by 10%)** \_\_\_\_\_

**If Estimate Does not include tooth extractions, initial here** \_\_\_\_\_

I am the owner or agent for this animal and have full authority to execute this agreement. I authorize Cache Meadow Veterinary Clinic, its veterinarians and employees under their supervision, to perform the procedures outlined above. I understand that there are certain risks involved with any sedation/anesthesia or surgical procedure that can ultimately lead to the loss of my pet's life. Because of the nature of medicine, we are unable to guarantee a favorable outcome. I agree to hold Cache Meadow Veterinary Clinic, its veterinarians and employees harmless from and against any and all liability arising out of the performance of any procedures referred to above, and any procedures that are deemed to be necessary to provide adequate care of the above named animal(s).

\*An additional charge of \$50-\$66 will automatically be added if a female cat/dog is in heat or pregnant at the time of spaying.
