

CACHE MEADOW VETERINARY CLINIC BOARDING INFORMATION*

*Please call to verify pricing information. Pricing is subject to change at any time.

General Announcements:

- 10% discount applies for boarding 21 days or more.
- A prepayment in full is expected for boarding 14 days or more.
- Our boarding facility is indoor with heating and air-conditioning.
- We provide Hill's Science Diet Adult Original and Adult Sensitive Stomach Dog and Cat foods.
- If you request it at the front desk we have bedding that we can provide.
- You are welcome to bring toys, bedding and food that may help your pet have a more enjoyable stay. Make sure your bed will fit in the kennel you've reserved. We cannot wash beds but we can wash blankets. We apologize in advance.
- **If your pet hasn't boarded before, hasn't previously boarded at our clinic, or doesn't do well left home alone, please let us know.**

DOG:

- \$18.00 per night per dog or \$18 for a full day or \$9 for a half day. \$28.00 per night if medical, medicinal or special treatment is needed while boarding.
- Vaccines required (Best given 24 hours before boarding but can be given the day you drop your pet off): Rabies, Distemper, Hepatitis, Parvo, Parainfluenza, Lepto, Injectable Bordatella, Intranasal Bordatella
We charge \$20 for rabies, \$50 for Distemper, Hepatitis, Parainfluenza, Parvo, Lepto and injectible bordatella, \$28 for intranasal bordatella. You must provide proof of vaccinations. If no proof is available, we will require all unproven vaccinations be given again before boarding is permitted.
- Dogs are released from their indoor kennel to an outdoor dog run that is 10' x 20' twice daily for approximately 30 - 60 minutes each time. Other than this the dogs remain in their indoor kennel for the duration of their stay.
- Indoor dog kennels have concrete floors, drains, and chain-link cages. We have 1 X-tra Large kennel that can house two very large dogs and measures 4'3" wide by 6'2" deep. We have 18 Large kennels that measure 34" wide and 6'2" deep and 11 small kennels that measure 26" wide and 4' deep.
- If scheduled with Cache Meadow Grooming in advance, your pet can be bathed the day you pickup. The grooming business is a separately owned business from the veterinary clinic. To schedule a grooming appointment call (435) 225-1341 and ask to schedule a grooming appointment. Do this well in advance (2-4 weeks) of your boarding appointment.

CAT

- \$14.00 per night per cat or \$14 for a full day boarding or \$7 for a half day boarding. \$21 per night per cat if medicinal, medical or special treatment is needed while boarding.
- Vaccines required (Best given 24 hours before boarding but that can be given the day you drop your pet off): Feline Rabies, Feline Distemper and Feline Leukemia. If you do not have a vaccination certificate showing proof of vaccinations, we will require all un-proven vaccines be given.
- We charge \$20 for feline rabies and \$50 for feline Distemper and Leukemia combined.
- Cats remain in their kennel for the duration of their stay.
- We clean the kennels twice daily, change the cat litter pans twice daily and the cats are given fresh food and water twice daily.
- Our kitty condos are Formica. They are 28 inches by 28 inches square. They have an upper shelf to sleep on and a lower landing for food, litter pan and additional lounging space. You can request two condos that are joined by a circular opening between them if availability permits.

Caged Pets (amphibians, birds, rodents)

- Pricing for boarding caged pets is usually the same rate as our cat boarding price, however, there could be exceptions to this.
- You need to provide the dimensions of your cage/tank so we can confirm that we can accommodate your pet prior to making your reservation.
- You provide your own food and treats for caged pets.
- We can clean the cage, change food/water, etc...
